(SECRETARIAT BRANCH)

(PER) FB TANGEDCO PROCEEDINGS NO.21

DATED THE 9TH JULY, 2019.

Aani-24, Vihari Varudam,
Thiruvalluvar Aandu-2050.

PROCEEDINGS:

The method of appointment to the posts of Junior Engineer/Electrical II grade and Junior Engineer/Mechanical II grade were same by internal selection from the post of Technical Assistant/Electrical and Mechanical respectively until the orders issued vide B.P. Ms.(FB) No.33 (Administrative Branch), dated 04.04.1987. Subsequently, the method of appointment to the post of Junior Engineer/Electrical II Grade has been made by promotion. But, the method of appointment to the post of Junior Engineer/Mechanical II Grade is continued as Internal Selection only. It has been represented that due to the said procedure, the mechanical category employees have to undergo the roaster system twice i.e. one at the time of appointment as Technical Assistant/Mechanical and another at the time of internal selection as Junior Engineer/Mechanical II Grade and hence they are losing their fixation of pay, seniority and further promotions. Representations were received from individual employees and Unions requesting to maintain a uniform method of appointment for both the posts of Junior Engineer/Electrical II Grade and Junior Engineer/Mechanical II Grade. Therefore, a proposal for making amendments to the Tamil Nadu Electricity Board Service Regulation, has been placed before the Board of TANGEDCO and after careful consideration, the Board of TANGEDCO has approved the same.

2. Accordingly, in exercise of the powers conferred by Section 79(c) of the Electricity (Supply) Act, 1948 (Central Act 54 of 1948), read with Section 185 of the Electricity (Supply) Act, 2003 and G.O.Ms.No.100, Energy (B2) Department, dated 19.10.2010, the Tamil Nadu Generation and Distribution Corporation Limited (formerly Tamil Nadu Electricity Board) makes the following amendments to the Tamil Nadu Electricity Board Service Regulations:-
