First of all We the undersigned Unions would like to thank the respected Chairman cum Managing Director for the initiative taken for enabling several thousands of field workers to get promotions as Wireman/ Commercial Assistant, Commercial Inspector / Line Inspector and Foreman I Gr. In almost all the circles promotions to the post of Wireman / Commercial Assistant, and Foreman I Gr. are being given duly following the instructions given by the Chief Engineer / Personnel under the memo 2nd cited.

However the promotions to the post of Commercial Inspector / Line Inspector are with held for want of clarifications with regard to the reckoning of service period of 5 years mentioned in the above Chief Engineer / Personnel memo, whether 5 years service period is required exclusively in the post of Wireman / Commercial Assistant or 5 years service period is inclusive of service rendered in the post of Mazdoor, Helper and Wireman / Commercial Assistant also.

The above instructions have been issued in accordance with the provisions of service Regulations No.94 wherein the qualification for promotion to the post of Line Inspector has been prescribed as follows:- " Completed SSLC with 8 years practical experience in the type of work concerned."

In the above circumstances we would humbly request the Chairman to kindly intervene in this matter urgently and arrange to issue suitable instructions to reckon the practical experience of 5 years in the type of work concerned i.e. including the service period rendered in post of Mazdoor, Helper and Wireman / Commercial Assistant for promotion to the post of Commercial Inspector / Line Inspector and thus render justice.

Thanking You,

Yours faithfully,
